Objective

I'm a web/ui designer motivated to create something unique and to bring rich design to any platform. I'm looking for a place that doesn't just encourage forward thinking but rewards the creativity.

Education

Art Institute of Atlanta - *Atlanta, GA*

Bachelor of Fine Arts, Interactive Web Design

Graduated: October 2006

Governor Dummer Academy - *Byfield, MA*

Graduated: June 1999

Experience

Fidelity Investments - *Boston, MA*

April 2011 - July 2011

Web/UI Designer

Contracted as an eLearning designer and developer using Photoshop, Flash (AS 2), and Dreamweaver. After redesigning their eLearning module, I finished up the contract by producing a new style guide for the department.

Lime Brokerage – *Waltham, MA*

March 2009 – October 2010

UI and Web Designer

Took concepts into design before development began for online trade platform elements. Designed marketing materials including banners, print advertising, and t-shirts. Took the initiative and moved the entire platform into a new era with a state of the art design. Used basic skills in CSS, Flash, AS, and Flex in order to incorporate new designs and new loader into the platform.

GateHouse Media New England – *Needham, MA*

February 2007 – February 2009

Online Producer

Developed and designed pages for dynamic and unique content, related website for other divisions in the company, basic - IAB standard - ad units and rich media ads for clients. Also traveled to other units and trained reporters on shooting video and basic video editing with "point & shoot" cameras.
